Wonky Wishes Pattern

The Wonky Wishes pattern retails at \$11.95 will be available from me on my website or in class for \$10.00. Each student must have their own copy of the pattern, no sharing, and no photocopies. This is your text book.

Yardage requirements:

Assorted dark scraps in a variety of colors: 5 yards total.

Assorted light/neutral scraps from white to cream to beige: 6 3/4 yards total

Pre-cutting:

This is a 4 or 6-hour workshop. There is no way that you will need to cut out the entire quilt ahead of time. Bring enough to keep you busy during class time. Full cutting given below for planning purposes:

Star centers: 120 light/neutral 2 1/2" squares

Star backgrounds: 960 assorted dark 2 1/2" squares

Star points: 480 2 1/2" light/neutral squares sliced on the diagonal from corner to corner into 960 half-square triangles. *Note* if you have small leftover neutral scraps and cut-off triangles from other projects, these may be used in place of the star point triangles. They do not have to be precisely cut to cover the corner of a base square.

Neutral Strings: Narrow strips of fabric from 3/4" wide up to 2" wide for string pieced sashing. We will spend a small segment of time of string piecing. Cut enough to get you going, you can cut more as needed.

And the best part of all? ALL OF THESE items can be swapped and traded in class with others to increase our variety, and our FUN!

I look forward to seeing you in class! If you have questions, please email me at Quiltville@gmail.com
