

Thank you for your Pre-Order!

**Better
Together!**

**Book & Tool
Bundle!**

We are so excited over the long awaited arrival of both the Addicted to Scraps book AND the Essential Triangle Tool that will make all of the quilts in the book an absolute joy, enabling you to work with strips for half square triangles, quarter square triangles and flying geese units.

You have placed a **Pre-Order**. When we print your invoice and mailing label you will receive a status update that your order has been marked "processing". Marking your order as "processing" means your order is in line and ready to be filled as soon as we reach your invoice number.

We are still in **Pre-Order Status** meaning that orders are being filled and sent out in the order in which they were received, starting with those orders placed in September. We are working as fast as we can to get your order out to you.

If you want to know where you fall in the line-up, follow my daily blog at Quiltville.blogspot.com or my Quiltville Facebook page or my Instagram. As I finish each box of invoices I am posting the invoice numbers that have gone out.

It is my goal to get your order to you as quickly as possible, filling each package with quilty wishes as it goes on its way.

Thank you for your patience. You can believe I am as anxious to get these out the door as you are to receive them!

Best Stitches, Everyone!
