

Blue Ridge Beauty  
Class Supply List

Quilt Size:

Block size: 6" finished

Quilt size: 97 " X 109"

This is a two-block quilt! A modified puss in the corner block, and an hour glass star block, both in 8" finished size. You can make this quilt as big or small as you would like depending on the number of blocks you make.

This quilt is perfect to learn how to use the specialty rulers I love and use so much in my scrap quilting!

Book required: Adventures with Leaders & Enders by Bonnie K Hunter

Also required: Bonnie K Hunter's Essential Triangle Tool or the equivalent (Both the Easy Angle and the Companion Angle rulers)

Books and tools are available in the Quiltville store at a discount. [Quiltville.com/shop.html](http://Quiltville.com/shop.html)

Depending on the venue, items may also be available in class.

Fabric requirements:

This is a two-color quilt but could be worked up

in multiple scraps with a neutral background if desired! It could also work up nice as a three-color quilt. The sky is the limit

You will need approx. 5 1/2 yards of blue scraps and 5 1/2 yards of neutral scraps cut into 2" strips.

The object here is to use STASH for this quilt! Challenge yourself! See how far you can go without buying anything, and then if you need to, buy to compliment what you already have.

Pre-cutting the 2" strips before class means we can get started sewing right away! Short strips or long strips doesn't matter. We will use them!

Those who do not come with strips already cut will find themselves behind in class!

In addition to your fabric you will need the basics:

Sewing machine in working order (including power cords and extension cords)  
Thread, scissors, seam ripper, pins and any other notions you usually sew with.  
Rotary cutter, mat and ruler.

Also helpful: A wooden pressing iron if personal irons are not allowed in class, and perhaps an additional light source such as an ott light.
