

Box Kite Class Supply List

Finished block size: 6"

Finished quilt size: 72 1/2" X 84 1/2"

Do you see diagonal chains, or a rainbow of stars?

Put those precious scraps to work for you with a dazzling quilt pattern from best-selling author Bonnie K. Hunter. Sew a rainbow of Box Kite blocks from strips and squares. Easy rotary cutting and simple patchwork make this pattern ideal for beginners, with pressing tips for perfect results! Let your imagination run wild with fabric and color placement as you play with light and dark values. And remember, if the fabric is still ugly, you just didn't cut it small enough!

Quilt with ALL of your scraps!

Pair strips and cut with the Essential Triangle Tool for half square triangles ready to sew.

For this workshop you will need:

Sewing machine in working order with all cords, foot pedal and patchwork foot.

Rotary cutter with new blade, small mat and ruler. (Both a 6 1/2" square and a 6 1/2" by 12 1/2" rectangle are helpful.)

Wooden pressing tool if individual irons are not allowed.

Thread, pins, seam ripper, fabric scissors and anything you would normally use while sewing at a workshop.

The Addicted to Scraps book retails at \$27.95 and is available in class for \$25.00. Each student must have their own copy of the book, no sharing, and no photocopies. This is your text book.

Yardage requirements:

Box Kite is available as a 4 or 6-hour workshop. There is no way that you will need to cut out the entire quilt ahead of time. Bring enough fabric to keep you busy during class time.

Full yardage amounts given for planning purposes:

Medium to Dark Scraps: 4 yards total for blocks.

Light/Neutral Scraps: 4 1/2 yards total for blocks and border

Red print: 2/3 yard for inner border (Not needed for class.)

Pre-cutting:

We will be using the Essential Triangle Tool for both the half-square triangles in the block and the quarter-square triangles in the border all from one width of strip: 2 1/2"!

The Essential Triangle Tool retails at \$24.95 and will be available in class for \$22.00.

Please come with a variety of 2 1/2" strips in both neutrals and in colors to keep you busy during the class time given.

If cutting strips from fat-quarters, cut from the long 22" side. Each cut will give enough for one block. If strips are shorter, plan on 2 matching strips of the neutral to get enough pieces for block background.

If you keep a box of 2 1/2" squares handy, those are GREAT for

block centers.

Even better? We can swap and trade in class for more variety, more FUN!

I look forward to seeing you in class! If you have questions, please email me at Quiltville@gmail.com
