

Cathedral Stars!

Class Supply List

Quilt Size: 91''x 91''

Block Size: 9''

The Cathedral Stars Quilt can be made any size you want, just make more (or fewer) blocks.

Students: Please print out your instructions for the quilt ahead of time [HERE](#):

<http://quiltville.com/pdf/cathedralstarspf.pdf>

You are responsible for bringing your own instructions to class.

The objective in this workshop is for students to learn the basics, and the fun and freedom of using the EZ angle ruler, (Or Bonnie Hunter's Essential Triangle Tool) and the Tri Rec Rulers.

Rulers are required for class participation and can be found in the Quiltville Store at Quiltville.com/shop.html

New quilters will also learn some basics of strip piecing and chain piecing.

This quilt is perfect to learn how to use the specialty rulers I love and use so much in my scrap quilting!

Fabric Requirements:

I made this as a scrap quilt, so a large variety of fabrics is shown. There will be some precutting of strips for the units, but we will leave the cutting with the rulers from the strips in class. You just need to come with the strips cut.

You will need approximately:

3 yards of assorted light (neutral)fabrics
2 yards of assorted brights (4 patches)
2 yards royal blue (star points and outer border)
2 yards black (mine was a solid black)
2 yards red (this was a tone on tone black on a red ground)

You may decide when your quilt is done that you want to use a different combination of fabrics for the border.

To give us enough to start sewing, please cut (12) 2"strips from your assorted light fabrics and (12) strips from your assorted brights. You will need more, but this will get us started!

From your assorted light fabrics, cut 6 strips 3.5" wide for the background of the star points. More will be needed, but this is good to get started

From your red and black and royal blue fabrics cut: 6 strips from each at 3.5" wide. You will need more, but this is enough to get us started.

Please come to class with this number of strips cut and ready to sew. You don't want

to be left behind if you just show up with a pile of un-ironed uncut fabric.

Please do not start sewing before class.

In addition to your fabric you will need the basics:

- Sewing machine in working order (including power cords and extension cords)
- Thread, scissors, seam ripper, pins and any other notions you usually sew with.
- Rotary cutter, mat and your regular ruler.
- Please wear your guild name tag so I know who you are!

I look forward to spending this class time with you!
