

Idaho Square Dance

Class Supply List

Finished block size: 7"

Quilt Size: 73" x 73"

Addicted to Scraps Book Required.

Quilts with small simple squares that chain through the quilt are high on my list of favorites!

This two-block quilt is made from a plethora of scraps and strips and part of the fun is sharing fabrics with students in class.

For this workshop you will need:

Sewing machine in working order with all cords, foot pedal and patchwork foot.

Rotary cutter with new blade, small mat and ruler.

Wooden pressing tool if individual irons are not allowed.

Thread, pins, seam ripper, fabric scissors and anything you would normally use while sewing at a workshop.

An ultimate scrap project, you are going to pre-cut SOME units ahead of time.

Those who wait to cut during class will be left behind!

As this is a 6 hour class, there is no need to cut out the entire quilt. Plan on cutting enough to keep you busy during class time, knowing you can cut more when you return home.

Full-block quilt pre-cutting is given below for planning purposes.

For most efficient cutting, cut strips into 1 1/2" strips; then subcut the various pieces.

From blue scrap 1 1/2" strips cut:

36 rectangles each size:

- 1 1/2" x 7 1/2"
- 1 1/2 x 6 1/2"

44 rectangles each size:

- 1 1/2" x 3 1/2"
- 1 1/2" x 4 1/2"
- 1 1/2" x 2 1/2"

44 squares:

- 1 1/2" x 1 1/2"

288 rectangles:

- 1 1/2" x 5 1/2" (includes piano key border)

From light/neutral fabrics cut:

36 rectangles each size:

- 1 1/2" x 6 1/2"
- 1 1/2" x 5 1/2"
- 1 1/2" x 4 1/2"

180 rectangles

- 1 1/2" x 3 1/2" (enough for both blocks)

36 rectangles

- 1 1/2" x 2 1/2"

36 squares

- 1 1/2" x 1 1/2"

(Alternate block) From colored AND neutral scraps cut:

- 1 1/2" strips in random lengths to total approximately 24 width of fabric strips.
(Add to this as needed)

From red scraps cut 25 squares 3 1/2" x 3 1/2".

****NOTE**** the sizes and directions for the half-block setting triangles are in the book, we will not be making these in class.
