

~My Blue Heaven~ Class Supply List!

Block Size: 8" finished.
Finished quilt size: Approx 81"x89"

A pile of blue strips, a pile of neutral strips, a whole lot of power sewing!

This is a two-block quilt! A modified puss in the corner block, and an hour glass star block, both in 8" finished size. You can make this quilt as big or small as you would like depending on the number of blocks you make.

This quilt is perfect to learn how to use the specialty rulers I love and use so much in my scrap quilting!

Pattern:

Each student must come to class with the My Blue Heaven pattern printed from my website, either by clicking the printer-friendly pdf link on the pattern found under the free patterns tab at Quiltville.blogspot.com or by direct link here: <https://quiltville.com/pdf/myblueheaven.pdf>

This helps keep workshop prices down.

Also required: Bonnie K Hunter's Essential Triangle Tool or the equivalent (Both the Easy Angle and the Companion Angle rulers)
Available in the Quiltville store.
Quiltville.com/shop.html

Fabric requirements:

This is a two-color quilt but could be worked up in multiple scraps with a neutral background if desired! It could also work up nice as a three-color quilt with the puss in the corner blocks being one color (ie red) the stars being another color (ie blue) and the backgrounds being scrappy neutrals. The sky is the limit!

You will need approx. 3 yards of blue scraps and 3 yards of neutral scraps cut into 2.5" strips. The object here is to use STASH for this quilt! Challenge yourself! See how far you can go without buying anything, and then if you need to, buy to compliment what you already have.

Pre-cutting the 2 1/2" strips before class means we can get started sewing right away! Short strips or long strips doesn't matter. We will use them!

Those who do not come with strips already cut will find themselves behind in class!

In addition to your fabric you will need the basics:

Sewing machine in working order (including power cords and extension cords)
Thread, scissors, seam ripper, pins and any other notions you usually sew with.
Rotary cutter, mat and ruler.
