

Hidden Spools Class Supply List

© Bonnie K Hunter & Quiltville.com 1997-2014

General Supplies needed:

Sewing machine in working order (including power cords and extension cords)
Thread, scissors, seam ripper, pins and any other notions you usually sew with.
Rotary cutter, mat and ruler.

Each Student is responsible for printing out their own pattern from my website at <http://quiltville.com/hiddenspools.html> Bring your copy to class with you.

Specialty ruler required: We will be using the Companion Angle Ruler to make this quilt. I will have rulers with me in class for purchase if you don't have one.

Fabric Supplies:

This is a quilt perfect for using up all those 2" strips you've been saving We've got more scraps than we know what to do with, right?

For the lap size quilt you need approximately 2 yards of lights and 2 yards total of mediums/darks combined.

As you prepare for this workshop, plan on spending a bit of time each day pressing and cutting your scraps into 2" strips. You can plan a color theme if you want, or you can go "kitchen sink" and throw in everything! Please include lights, mediums and darks in this quilt for interest.

NOTE

Strips **NEED** to be at least 18" long so this works really well to cut strips from Fat Quarters too. Maybe you've got some that you've been waiting for the "RIGHT" project to use them?

If you have any questions about the supply list or instructions, please don't hesitate to call me! I really look forward to this workshop with you! Email: Quiltville@gmail.com
